

Friends, Romans, Morris Men (and Women)....I know.

Many Thanks for choosing to be part of the Hull Day of Dance 2019 on Saturday 27th July.

This should be all the information you require.

Firstly, if you haven't already can you send me the Public Liability Insurance information for your team.

The format is as standard and I know you're all Morris Pros you should have no issues.

Dance spots start on the half hour from 10:30, approx 45mins shared between the teams at each spot then 15mins to move to the next spot. There is a split lunch for you to refresh yourselves. At end of the days feel free to enjoy Hull.

There is an alternative dance spot listed this can be instead of the nearby spot. However, while the space is good the surface is questionable and not suited for all dancers, hence why is not a set spot. Saying that if a group of teams like the look of it feel free to use the space.

There is no planned dancing on the Sunday however if your choosing to be about and do more dancing let me know and I will help where I can.

Parking:

There is parking about the city but a common used and not overprices option for parking is Tower Street HU9 1TY, near Premier Inn the Citiadel 24hr Car Park.

Dogs:

All dance spots are Dog Friendly, any issues with the presence of dogs is people taking it personally but officially you are fine.

Wet Weather Option:

There is no full scale wet weather plan, so in the case of undanceable wet weather find sanctuary in one of Hull's many public houses. Resume dancing when possible, picking up at the relevant dance spot for the time. I am contactable and will help where I can.

Hull Folk & Maritime Festival:

While this looked uncertain if it was going to happen they have pulled together a bijou festival. There will be two outside stages along with sessions, bands and all the other things you come to expect from a festival of this kind. Feel free to enjoy the entertainment when you're not the entertainment.

Emergency Contact:

Should you need to get in touch with me at any point of the day I will have my mobile.

Jamie Sage – 07903 944809

I really hope you enjoy yourselves in Hull and hope that I've covered everything for you and your teams.

Bells & Jingles,

The City Centre Locations

Three Ships Mosaic, King Edward Square.

Large area with good flow of people while not restricting, great to engage an audience.

Queen Victoria Square – Opposite Maritime Museum

This is the largest open space on Queen Victoria Square with plenty of passing people to enjoy the show.
This is also the Showcase Finale location.

Princes Dock Street top end. Near McCoys and Roland House

Dance spots along the street can help connect the city centre to the festival site.

Hull Marina Locations

Hull Marina – Castle Street End

The first people will see when coming onto the Marina.

Humber St

Anywhere along Humber Street, you dancers are experts at knowing whats good for you or what is near the best pubs.

Hull Marina, paved space by end of Humber St

Large area which looks down Humber Street good to draw the eye and intrested watchers.

An Alternative Hull Marina Dance Spot

Large Area Nr the Lock Keepers

This is a potential alternative to the above spot but surface does not suit all.

Please use your judgement.

This area is a nice big space with seating all round , however its loose dusty surface is not good for some teams which makes it less ideal than it could have.
