Collecting: To help defray our costs, please can you all **actively collect** from the audience using the solid black collecting hats that we will provide. Please will Acorn and Ripon City Morris look after a collecting hat for us, and take it with them to the next dance slot?

Assembly: Meet in Kings Square 10:30 to 11am.

Health and safety:

- For safety reasons, please do not use any damaged or split sticks.
- Please immediately report any injuries to the public or other problems to me, Pikey, on 07412 012938

Amplified music and drums:

Please note that under the conditions of our permission to dance, the use of amplified music is not allowed. Please also note that we have had complaints in previous years about over exuberant and excessively loud drumming. If you do use a drum, please can you use it with consideration. If not, we have a penknife you can borrow..... 😊

Wet weather arrangements:

If it's too wet to dance then take refuge in pubs/cafes and resume the programme when it eases off.

Other useful information:

- Feel free to ask any buskers who are in the way to move on.
- All dance locations are within a 10 minute walk of each other
- A cornucopia of refreshments is available in the City Centre. Most pubs in York are child and dog friendly. As far as we know, all are morris, longsword, and rapper friendly. But please ask first before you dance / play / sing in them.

Start and end displays:

- Each team will do a display dance, please try and keep it under 4 minutes.
- The order is in the dance schedule. Please bring your own copies with you.
- Unless you're dancing, please keep behind the audience.

Travel

Kings Square is a 15-20 minute walk from the railway station.

If you're coming by car, Park & Ride is a good option
